

Crimson Royale

DESCRIPTION:

Like a plump, juicy concord grape, this sweet wine is perfect chilled for sipping with your favorite Cheddar or creamy Havarti, or a peanut butter cookie.

PRODUCTION METHOD:

Concord grapes are picked and pressed. Juice is then cool fermented in stainless steel.

PAIRINGS:

Enjoy it with your favorite creamy Cheddar or Havarti. A good everyday wine for your everyday foods like macaroni and cheese and roasted turkey breast.

INSPIRATION:

This concord wine has been at von Stiehl since the late 80s. It has undergone four label designs, and the juice has come from both Michigan and New York. The current (New York) version grew to be our best seller in recent years. Made to taste like a fresh concord grape, Crimson Royale is the sister to Niagara wine. It will make a great gift for someone who doesn't like dry wines, and it works well after dinner with dessert cheeses.

Serving Temperature: 46°F

Cellar Life: 1 year
