

Sassy Sangria

DESCRIPTION:

Soak up the taste of orange, pineapple and passion fruit in this flavorful sweet red. Sassy Sangría is sweet and easy while being full and flavorful.

PRODUCTION METHOD:

Fermented on the skins in stainless steel tanks, red wine is then blended with concord wine and natural essences.

PAIRINGS:

Enjoy with sweet foods and delicate cheeses. Try making a reduction with this wine or add as part of 'the liquid' in a sauce recipe. Serve to your besties with Hawaiian pizza and cherry-berry oatmeal cookies.

INSPIRATION: Playing off of the Naughty Girl wine label design, we wanted to conjure up something that would work well in the heat of summer. This wine is great chilled, and balanced to be poured over ice. Using the same base wine as Naughty Girl, we then add natural sangria flavorings and a touch of blueberry wine to make the perfect summer sipper. Sipper, not gulper!

Our Mission

To delight our guests by offering fine wine in crystal glassware. To produce a precisely balanced wine list with spotless equipment in a modern winemaking facility. To create unique spaces in a nationally recognized historic building including 150 year-old barrel-aging tunnels, a charming 45 year-old tasting room, relaxing top-story lounge, and a calming terrace overlooking Lake Michigan. To not take ourselves too seriously. To make guests want to return!
